Item Specifics - Item Condition

Condition:	Used		
Saxophone Type:	soprano	Instrument :	SAXOPHONE
Part :	Mouthpiece	Brand :	Lamberson

This auction is for one Fred Lamberson FMaj7 hard rubber mouthpiece for soprano sax. I bought this piece directly from Fred in 2004. The mouthpiece has always been played with a double layer of tooth patches. The piece is in like-new condition. The mouthpiece includes the cap and ligature shown in the photo. This is the best soprano sax mouthpiece I have played. For me it has been better than Selmer, Link, and Morgan. The sound of this Lamberson mouthpiece is big, full and rich with just the right amount of brightness to add presence to the full-bodied sound. To learn more about Lamberson mouthpieces visit Fred's site. <http://www.lambersonmouthpieces.com/>

The tip opening is 0.070.

I am selling this mouthpiece because I no longer play. In fact, I just sold my old Conn Chu soprano. These are great playing mouthpieces. Fred Lamberson often has a wait time of several months to get the mouthpiece directly from him. Do yourself a favor and buy this mouthpiece. You will be glad you did.

I am an individual selling my personal property. I have no return policy,

Bidders with negative feedback or zero feedback will have their bids cancelled unless they contact me first.

I will ship the mouthpiece within 24 hours of receiving confirmed payment. I prefer PayPal, but I will accept a money order or cashier's check.

I will ship to locations in the U.S. via USPS Priority Mail with delivery confirmation for a flat shipping and handling fee of eight dollars (\$8.00).

I will ship to international locations via USPS Priority Mail International for a flat rate of thirty dollars (\$30.00 USD).

GOOD LUCK BIDDING!
